

**30.03.2011 ~ Fire ~ Energy**

Feeling the energy from the evening

... in the moment, I feel a high frequent energywhirl ~ I feel souls~from humans, from animals ~ I hear sounds ~ they connect in this whirl to initiate a field to change the magnetic field ~ to help the sun and the stars to make it stronger to flow in ~ these energy comes free to the earth and into the earth ~ nobody never stop it ~~~ Feel your color in you ~ human flow ! ~ and transmit the color with sounds to the world an universe ~~~ Your Halija Jesasa ~~~ ... want say more in words, but I can`t do it with my small english knowledge ..... here my sound to feel me deeper and behind

~~~

I hear in the same time, deep frequenzy sounds since yesterday and the day before. Deep in the earth and the fire moves strong ~ Flow ~ Prepare vor strong waves from the heaven, earth and fire in the earth, which must come to make all free ~ to help us to show the truth ~ Your I AM ~ Your color is so beatiful ... I bless for you and me ~ feel warm here ~

Energy flows in our Systems from 11:45 am (German Time)
